

Editorial Mission

Advances in Pulmonary Hypertension is committed to help physicians in their clinical decision making by informing them of important trends affecting their practice. Analyzing the impact of new findings and covering current information in the peer-reviewed literature, *Advances in Pulmonary Hypertension* is published four times a year. *Advances in Pulmonary Hypertension* is the official journal of the Pulmonary Hypertension Association.

Each article in this journal has been reviewed and approved by members of the Editorial Advisory Board.

Editorial Advisory Board

Editor-in-Chief

Victor F. Tapson, MD
