

Editorial Advisory Board

Editor-in-Chief

Vallerie V. McLaughlin, MD
Associate Professor of Medicine
Director, Pulmonary Hypertension
Program
University of Michigan Health
System
Ann Arbor, Michigan

Immediate Past Editor

Victor F. Tapson, MD
Professor of Medicine
Division of Pulmonary and Critical
Care Medicine
Duke University Medical Center
Durham, North Carolina

Associate Editors

Richard Channick, MD
Associate Professor of Medicine
Pulmonary and Critical Care Division
University of California,
San Diego Medical Center
San Diego, California

Ramona Doyle, MD
Associate Professor of Medicine
Division of Pulmonary/Critical
Care Medicine
Co-Director, Vera M. Wall Center
for Pulmonary Vascular Disease
Stanford University Medical Center
Stanford, California

Karen A. Fagan, MD
Associate Professor of Medicine
University of Colorado Health
Sciences Center
Pulmonary Hypertension Center
Denver, Colorado

Ronald J. Oudiz, MD
Associate Professor of Medicine,
UCLA School of Medicine
Director, Liu Center for
Pulmonary Hypertension
Division of Cardiology,
Harbor-UCLA Medical Center
Torrance, California

Olivier Sitbon, MD
Consultant
Center for Pulmonary Vascular
Diseases
Respiratory and Intensive
Care Unit
Antoine Beclere Hospital
Paris-Sud University
Clamart, France

Editorial Board

Gregory Ahearn, MD
Medical Director
Pulmonary Hypertension Center
St. Joseph's Medical Center
Phoenix, Arizona

Jacques Benisty, MD, MPH
Children's Hospital Boston
Harvard Medical School
Boston, Massachusetts

Raymond Benza, MD
Associate Professor of Medicine
Director, Pulmonary Vascular
Disease Program
Section of Advanced Heart Failure,
Transplant and Pulmonary
Vascular Diseases
University of Alabama
at Birmingham
Birmingham, Alabama

Erika Berman Rosenzweig, MD

University
Cleveland, Ohio

Roxana Sulica, MD
Assistant Professor of Medicine
Mount Sinai School of Medicine
Director, Mount Sinai Pulmonary
Hypertension Program
Mount Sinai Medical Center
New York, New York

Editorial Mission

Advances in Pulmonary Hypertension is committed to help physicians in their clinical decision making by informing them of important trends affecting their practice. Analyzing the impact of new findings and covering current information in the peer-reviewed literature, *Advances in Pulmonary Hypertension* is published four times a year. *Advances in Pulmonary Hypertension* is the official journal of the Pulmonary Hypertension Association.

Each article in this journal has been reviewed and approved by members of the Editorial Advisory Board.

The Scientific Leadership Council of the Pulmonary Hypertension Association

The scientific program of the Pulmonary Hypertension Association is guided by the association's Scientific Leadership Council. The Council includes the following health care professionals:

Robyn J. Barst, MD
SLC Chair
Columbia Presbyterian Medical
Center Babies Hospital
New York, New York

David B. Badesch, MD
SLC Vice-Chair
Chair, Nominations Committee
University of Colorado
Health Sciences Center
Denver, Colorado

Raymond L. Benza, MD
University of Alabama
Birmingham, Alabama

Richard N. Channick, MD
UCSD Medical Center
San Diego, California

Ramona Doyle, MD
Vera M. Wall Center for
Pulmonary Vascular Disease
Palo Alto, California

C. Gregory Elliott, MD
LDS Hospital
University of Utah
School of Medicine
Salt Lake City, Utah

Karen Fagan, MD
University of Colorado
Health Sciences Center
Denver, Colorado

Adaani Frost, MD
Baylor College of Medicine
Houston, Texas

Sean Gaine, MD, PhD
Mater Misericordiae Hospital
Dublin, Ireland

Nazzareno Galiè, MD
Università di Bologna
Bologna, Italy

Nicholas Hill, MD
Division of Pulmonary, Critical Care
and Sleep Medicine
Tufts-New England Medical Center
Boston, Massachusetts

Marc Humbert, MD
Hopital Antoine Beclere
Clamart, France

Dunbar Ivy, MD
University of Colorado
Denver, Colorado

Michael J. Krowka, MD
Mayo Clinic
Rochester, Minnesota

David Langleben, MD
Jewish General Hospital
Montreal, Quebec, Canada

James E. Loyd, MD
Vanderbilt University Medical Center
Nashville, Tennessee

Michael McGoon, MD
Pulmonary Hypertension Clinic/
Mayo Clinic
Rochester, Minnesota

Vallerie V. McLaughlin, MD
University of Michigan
Health System
Ann Arbor, Michigan

John H. Newman, MD
Vanderbilt Medical School
Nashville, Tennessee

Ronald J. Oudiz, MD
Liu Center for
Pulmonary Hypertension
Harbor-UCLA Medical Center
Torrance, California

Marlene Rabinovitch, MD
Stanford University
School of Medicine
Stanford, California

Ivan M. Robbins, MD
Chair, Consensus Committee
Vanderbilt University
Nashville, Tennessee

Lewis J. Rubin, MD
Chair, Research Committee
University of California at
San Diego
San Diego, California

Julio Sandoval, MD
Cardiopulmonary Department
National Institute of
Cardiology of Mexico
Tlalpan, Mexico

James Seibold, MD
University of Michigan
Health System
Ann Arbor, Michigan

Victor E. Tapson, MD
Division of Pulmonary and
Critical Care Medicine
Duke University Medical Center
Durham, North Carolina

Liaisons

Natalie Kitterman, RN, BSN
PH Resource Network Chair
Salt Lake City, Utah

JoAnne Sperando Schmidt
Patient Liaison

Carol E. Vreim, PhD
Division of Lung Diseases, NHLBI
Bethesda, Maryland

Emeritus Members

Bruce H. Brundage, MD
St. Charles Medical
Center-Bend
Bend, Oregon

Alfred P. Fishman, MD
University of Pennsylvania
Health System
Philadelphia, Pennsylvania

The Mission of the Scientific Leadership Council is to provide medical and scientific guidance and support to the PHA by:

- Developing and disseminating knowledge for diagnosing and treating pulmonary hypertension
- Advocating for patients with pulmonary hypertension
- Increasing involvement of basic and clinical researchers and practitioners
